Transcendent Views and Elegance
\$3,900,000

1124 HARBOR HILLS LANE, SANTA BARBARA, CALIFORNIA

Floating above Santa Barbara's city lights, harbor and coastline on a quiet cul-de-sac, and offering unobstructed panoramic views of the Pacific Ocean and channel islands, this remarkable home has been transformed into the pinnacle of luxury view living. Recently rebuilt with no expense spared as a \$1.5M endeavor of passion and elegant taste, the single-story entirely stair-free residence is covered in the finest of classic finishes, artfully weaved together in a tapestry of welcome simplicity.

The open floorplan features 3 bedrooms and 2.5 baths in approximately 2800 square feet, with an attached 2-car garage and substantial view patios. New utility systems and roof, low-maintenance landscaping and fortified drainage complete the easy-care property, perfect for a spoil-yourself primary residence, or as a lock-and-leave come-and-go sensory retreat.
